

Punch Needle Workshop *with* Aounna Khounnoraj

Punch needle embroidery has taken the craft world by storm, and Aounna Khounnoraj of Bookhou is at the helm of this movement. In this thorough workshop, Aounna gives the traditional craft of punch needle embroidery a modern makeover and shows how you can do the same. You will not only learn the fundamentals of how to use the punch needle tool, but also how to create a successful design from scratch and punch it up quickly with bulky weight wool. Along the way, Aounna troubleshoots potential issues and shows you how to bind off your piece to make a wall hanging, trivet or stool cover.

Learn How to:

- Use a punch needle tool
