

Serrated Block

with Anna Maria Horner

Textile designer and quilter Anna Maria Horner shows you how to create a stair-step “serrated” pattern out of solid and printed fabrics. To make this block, you’ll learn how to use an inventive template for cutting pieces and Anna’s technique for piecing it together. At the end, Anna discusses how to combine blocks to create a large all-over pattern using this design.

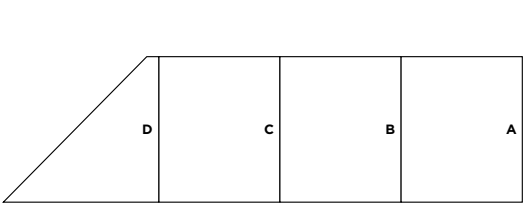

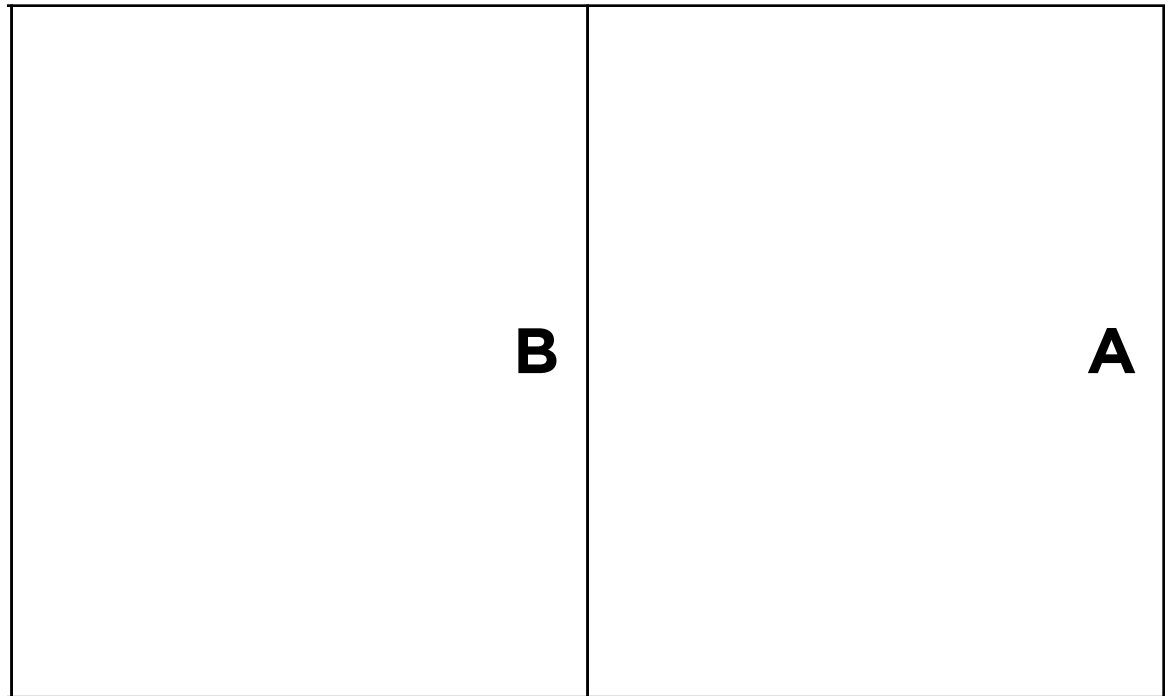

Learn How To:

- Use the PDF template to cut different parts of the block simultaneously
- Piece block
- Create a stair-step pattern with prints and solids
- Press seams

Tools and Materials:

- Quilting Cotton: Assorted prints and solids of varying lengths, all approximately 3½" wide
- Printed PDF template
- Rotary cutter
- Cutting mat
- Long gridded ruler
- Iron and ironing surface
- Sewing machine
- Neutral thread
- Straight pins

1" = 1"
 Print at 100%
